

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

March 20, 2006

### **H.R. 3127** **Darfur Peace and Accountability Act of 2006**

*As reported by the House Committee on International Relations  
on March 14, 2006*

H.R. 3127 would impose sanctions on certain individuals associated with the government of Sudan or with militias operating in Sudan. The bill also would prohibit the provision of foreign assistance to countries that provide military assistance to Sudan, except when that assistance is for humanitarian reasons. Additionally, the bill would direct the President to use our influence and vote at both the United Nations and the North Atlantic Treaty Organization to encourage those organizations to provide additional support to the African Union Mission in Sudan. Finally, the bill would require the Department of State to provide reports dealing with the African Union Mission in Sudan.

CBO estimates that implementing H.R. 3127 would not have a significant impact on the federal budget. H.R. 3127 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

On March 20, 2006, CBO transmitted an estimate for H.R. 3127 as ordered reported by the House Committee on the Judiciary on March 15, 2006. The estimates for the two versions of the bill are identical.

The CBO staff contact is Sam Papenfuss. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
